STEPNEY STARTED
BY LIGHTNING**Big StoreHouse of Burr
Hawley Co. Struck by
Bolt and Burns(Special to the Farmer.)
Stepney, Aug. 8.—Pined by a light-
ning bolt the big barn and storehouse
of B. Hawley & Co. situated in the
center of this town, burned to the
ground here this morning with a loss
of \$4,000, partially covered by insur-
ance. The fire started during a severe
thunder storm which was raging at
5:30. The lightning bolt crashed
through the roof of the barn and im-
mediately afterward flames burst out
in the crevice which marked its pas-
sage.About four carloads of feed, 20 tons
of hay and several thousand dollars
worth of lumber were totally destr-
oyed. There is no fire department in
Stepney. About 500 persons attracted
by the blaze gathered and they with
Burr Hawley, a member of the firm,
who lives near the storehouse, saved
several horses and wagons that were
on the lower floor of the burned build-
ing. The firm has been in business in
Stepney for 43 years.**NINE YOUNG MEN
MAY HAVE VACATION
TRIP TO BERMUDA**That Many Vacancies to Be Filled
by Right Fellows in Bridge-
port Naval MilitiaNine young men of the right calibre
may have an ideal vacation trip to
Bermuda with the Bridgeport division,
Connecticut Naval Militia if they so
desire. The Bridgeport division needs
that number of recruits but Lieut.
Albert J. Merritt is making his pick
of applicants and there are nine va-
cancies in his command. Next Sun-
day there will be a meeting of the
Bridgeport division at the clubhouse,
Foot of Seaview avenue. The first nine
desirable young men applying to en-
list for this cruise will be accepted.
On Sunday the rowing crews will take
the cutters out for their weekly spin.
At a meeting of the officers of the
Naval militia, C. N. G., held on board
the U. S. S. Machias, August 5, Com-
mander Hill, commanding officer of
the Connecticut Naval militia, an-
nounced that the second eight-day
cruise of the organization would leave
New Haven on August 30 and go direct to Bermuda.
It was estimated that, with favor-
able weather conditions it will take
about three days to reach the island,
and three days to return which will
allow the crew two days at Bermuda.
The members are enthusiastic over
the prospect and those who went on
the first cruise are inclined to think
that those detailed for the second
cruise have the best trip, notwith-
standing the first cruise was very in-
structive and satisfactory to everybody.
This will be the first time that the
U. S. S. Machias has visited a foreign
port since it has been assigned to the
Connecticut Naval militia. The Machias
is the largest ship in the navy assign-
ed to any state militia, manned ex-
clusively by naval militia, officers and
men.**E. H. DILLON & CO.**

**MISS GARDNER, PARK
CITY GIRL, TO SEE
HERSELF IN MOVIES**

Helen Gardner, one of the stars of
the moving picture drama and who
makes her home in Bridgeport, is fea-
tured in the great three reel motion
picture drama, "The Wife of Cain,"
which will be shown at the Empire
theatre next Monday and Tuesday
matinees and evenings.

Miss Gardner who has a magnificent
home in Mill Hill avenue has climbed
to rapid fame in the motion pic-
ture world.

She alone of all the motion picture
stars has a company presenting films
which feature her exclusively under
her own name. The Helen Gardner
Motion Picture Co. has made more
films in out of the way places, for the
sake of the local color which might
go with the story, than any other
company. In fact it was the first
company to make films of this char-
acter.

The films of "The Wife of Cain"
were all made on that portion of the
Holy Land which is supposed to ad-
join the site of the Garden of Eden.
Miss Gardner will probably pay a visit
to Bridgeport to witness the pictures
which are to be shown at the Em-
pire theatre next week.
